A real high and demanding piece of rock. Best limestone offers beautiful and various routes in different grades. Facing north it is the perfect crag for hot days. Especially in combination with Wahadeena you will have a real full day.

Orientation: north-east

Grades: medium - hard

Potential: little more

Rock quality: excellent limestone

Protection: bolted

Climbing-meters: 225m

Gear: 60-70m rope, around 12 quick-draws
